Please click on <https://www.thenational.academy/> and we will let you know the unit we are working on. Here there are online videos which the children can follow.

Science

Follow the links on BBC Bitesize to find out about Materials. What different types are there and what are they like? <https://www.bbc.co.uk/bitesize/topics/zrsgk7> Find and sort different materials at home.

Go on a material hunt – indoors and outdoors – see what you can find.

Material Investigation – Can you hold your material up to a light to see if it is transparent or not? Can you investigate if your material is waterproof or not? Can you stretch your material and see how strong it is? What material would be good if we had to make Little Red Riding Hood a new cloak? Why would this material be good?

Seasons – How has the weather changed? How has the scenery changed? Is the day longer or shorter? What season is it now? <https://www.youtube.com/watch?v=8Zjpl6fgYSY>
