## **Rock Ferry Primary School Staff, Parents and Visitors Code of Conduct**

---

We believe children learn better when they feel confident and positive about themselves. This is best achieved when staff, parents / carers and guests work together with mutual respect.

In order to make this happen we expect that all stakeholders embrace and are committed to the following core values.

- Always be friendly and welcoming with pupils, parents and colleagues
- Be polite and courteous at all time with everyone you meet
- Respect others and their views
- Work as a team; share what you know with others
- Keep your promises
- Learn today so that you will be better tomorrow – and enjoy the challenge!
- Remember everyone is an individual and it is your behaviour that sets the example
- Go the extra mile for our pupils and parents
- Have high expectations for everything we do

As you can see being a member of our school community means not just talking about these values; it is about truly living them. We are passionate about the service we provide.
